Backdrops

A beautiful backdrop is the perfect way to ensure your photo booth experience compliments the rest of your decor plans; providing an eye catching centrepiece at your evening reception or party.

Our backdrops are available as part of the photo booth hire, or alternatively you can hire backdrops as a stand alone product for your wedding or event. Stand alone hire is per full day, please get in touch for more information. If you have an amazing feature wall at your venue we may be able to use it for the photos! If you'd like to do this just ask!

Print Design

At Snapcandy we are proud to offer our **bespoke print design** service which enables couples to plan the most stylish photo booth experience. Our print designs look fabulous in your guest book and your guests will love having prints from your wedding or event, with a design that really captures your individual style. Bespoke Print Design ensures the Photo Booth experience is unique, and also feels coherent with the other design elements of your special occasion

We are often asked to match the prints to wedding stationery or party invites, which we can often do. We have even worked from photos of Bridesmaids dresses or flowers to colour match designs.. This service is £65 and can be added to your invoice at any time up until 4 weeks before your wedding or event. It is included as standard with any LuxePod package. If you're booking the BoothPod or RetroPod we included standard personalisation

We will ask you to provide a short brief, or a photo/pdf of your stationery. From there we will produce a minimum of three initial draft designs for you to review and give feedback. Once we receive your comments we will begin working on the final design for you to approve ahead of your wedding or event

If you're working with a stationery designer we can collaborate with them to ensure their copyright is preserved. Where we share images this also enables us to credit the designer for any involvement in the final print design

Standard Print Options

Included with all BoothPod & RetroPod hire. Choose a layout and tell us the text you'd like on your prints. We have our own collection of fonts to help you personalise your prints even further.

After your event...

If we've looked after a guest book for you this will be stored with your gifts or left in a secure place. Any duplicate prints will also be stored safely for you to enjoy afterwards!

We will professionally edit your images and upload them to your online gallery. We'll send you an access email shortly after your event.

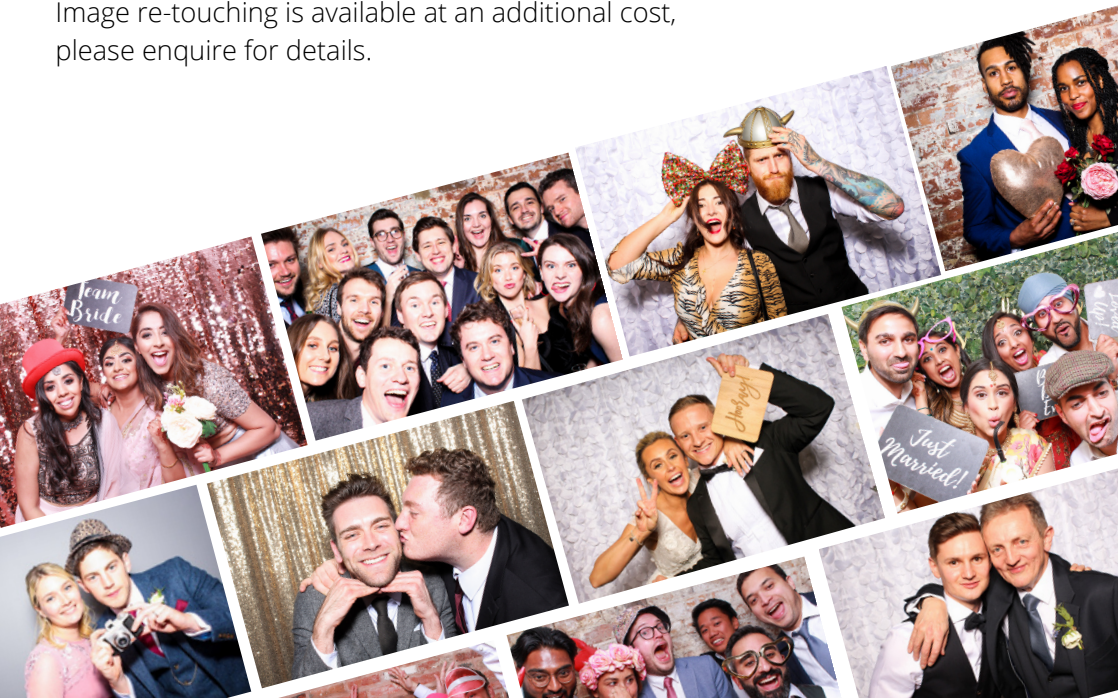

You'll be able to view every print and also every individual image taken at your event. You can use the gallery to view, download, share and purchase additional prints.

Images can be displayed in both colour and Black & White.

All images can be downloaded from the gallery free of charge

You can choose to purchase extra prints in a range of sizes via the gallery shop. These are printed by our partner lab and shipped direct to you.

Image re-touching is available at an additional cost, please enquire for details.

How to Book

If you're ready to reserve your Photo Booth or an Audio Guestbook just let us know which you'd like and we will send the Booking Form

Once your completed booking form is received we will provide you with a Hire Agreement showing the details of your booking and also our full Terms & Conditions of hire.

Please read through the Hire Agreement before adding your signature online.

The invoice we will send shows your total balance and the initial deposit amount payable which is 25% of the total hire. Your booking is confirmed and the date held as soon as the initial deposit has been received.

The remaining invoice balance is payable 4 weeks ahead of your wedding or event.

Snapcandy will contact you 6 weeks ahead of your wedding/event to confirm all of the final details of your hire. It's at this point, if you're hiring a photo booth, we'll also begin your print design.
